

## **Pre Reading & Post Reading Activity: (Primary, Junior & Intermediate)**

*I KNOW/I WONDER/I LEARNED*

Have the teacher write down anything the students already know about the Black Battalion on the whiteboard.

Then, ask the students what they would like to know or what they wonder about (write their questions on the whiteboard).

Read the book, *We Remember the Black Battalion* and engage the class in a discussion during the reading, addressing the students' questions about what they know and what they would like to know.

Have students visit the No. 2 Construction Battalion website ([www.no2constructionbattalion.ca](http://www.no2constructionbattalion.ca)) or other relevant resources to find answers to any unanswered questions.

Write a reflection or participate in a class discussion about what they have learned.

You can also use the KWL chart provided for individual activity (<https://www.teacherspayteachers.com/browse/free?search=kwl%20chart%20template>)
